

PROJECT DANCE

2018

May 24 & 25, 2018

Project Dance is a unique performance opportunity that celebrates our area's most innovative dancers, musicians and choreographers. *Project Dance* allows student artists of different disciplines, backgrounds and abilities to collaborate with professional dancers, choreographers and musicians to celebrate life through dance.

The purpose of Project Dance is to increase community awareness of the importance of arts education in our nation's schools.

Over the past fifteen seasons, our staff has included a wide spectrum of professional performing artists. *Project Dance* performers have the opportunity to work with professional dancers and choreographers from Broadway, *Philadanco*, The Philadelphia Eagles Cheerleaders, the PA Ballet, St. Joseph's University's Dance Team, Forrestburgh Playhouse, in addition to many other reputable instructors and studio owners from all over the Tri-State area. While participating in *Project Dance*, young artists collaborate with these reputable artists who possess a wealth of experience.

Our 2018 cast included over 100 student artists from different middle schools, high schools, colleges and dance studios. We are proud to provide instruction and performance opportunities to performers of all ages and backgrounds. Young artists of all types are invited to participate, making this a very special and unique event. We hope you will encourage your students to attend our audition on Sunday, March 4.
